805-282 INTRODUCTION TO ENVIRONMENTAL STUDIES

MIDTERM POSTER PROJECT

“ENVIRONMENTAL RESEARCHERS”

www.StevenAndrewMartin.com

PROJECT TYPE – ACADEMIC POSTER

Develop an academic poster using PowerPoint or other software with the ability to incorporate text boxes, maps, tables and images.

PROJECT THEME – ENVIRONMENTAL RESEARCHERS

Choose an environmental researcher with deep experience and present his or her personal and education background leading to their research. Emphasize his or her area of expertise, including fieldwork. Identify the significance of the research in the field of Environmental Studies.

POSTER SIZE –A3

Set slide dimensions for international A3, landscape (297 x 420 mm) (11.7 x 16.5 in)

TITLE – TOPIC AND AUTHOR

- The title of your poster
- Your name _____
- Nick name _____
- Student ID # _____

CONTENT – MAPS, IMAGES, TEXT, TABLES, REFERENCES

- Use your imagination and develop your topic creatively.
- Profile the environmentalist and his or her life, including formal education.
- Introduction to the environmentalist’s work, including general history and background.
- Provide maps as relevant to Environmental Studies.
- Provide images or details as relevant to Environmental Studies.
- Illustrate if the research or fieldwork is relevant to other areas of study.
- Locate recent news or current events related to the Environmentalist and his or her research area.
- Provide a shortlist of references/media resources in APA format.

- Provide a time table (chronology table) of events relevant to the Environmentalist and his or her topic area. See example:

Date	Details	Comments	Reference
19xx	xxx	xxx	<i>Use APA format</i>
19xx	xxx	xxx	<i>Use APA format</i>
20xx	xxx	xxx	<i>Use APA format</i>

GRADE CRITERIA – RUBRIC

Grade criteria begins with the originality of the poster, including the topic, style and approach. Special consideration is given for the degree of difficulty of the topic.

*Rubric for poster projects and presentations with Dr. Steven Martin

A	B	C	D
♦ Prominently positions title/author of the poster ♦ Thoroughly but concisely presents main points in a well-organized manner ♦ Sources represent various media, and diverse points of view are well-represented ♦ Narration and/or answering of questions is engaging, thorough, and adds greatly to the presentation	♦ Contains title/author of the poster ♦ Adequately presents main points in a fairly well-organized manner ♦ Sources represent various media, and diverse points of view are represented ♦ Narration and/or answering of questions is adequate and adds to the presentation	♦ Contains title/author of the poster ♦ Presents main points but not as sufficiently and not as well-organized ♦ Sources represent some areas of media, and diverse points of view are not as well represented ♦ Narration and/or answering of questions is somewhat lacking	♦ Title/author of the poster are absent or unclear ♦ Does not sufficiently present main points and is not well-organized ♦ Sources represent limited media, and diverse points of view are not well represented ♦ Narration and/or answering of questions is lacking
