Drying

A disassembled Bosch food processor is shown on a light-colored tiled floor. The main motor unit is silver and black, with the 'BOSCH' logo visible. It is surrounded by its various components: a large black plastic bowl, a smaller black bowl, a clear plastic lid, a clear plastic pitcher with a black lid, and a clear plastic bowl. A black power cord is plugged into a wall outlet. A window with a mesh screen is visible in the background.
